Guidance & Rules for Club Competitions

This document is designed to assist members in entering club competitions and other competitions we take part in such as Inter-club competitions and those organised by the NCPF or NYSD.

NB 1:- There are separate rules for our Annual Exhibitions, which will be circulated nearer the time.

NB 2:- Please note that for the time being there will be no Print competitions. These will resume as soon as is practicable.

Members' Night Competitions

There will be five of these competitions during the season and, except for the Millennium Trophy (where a set of three is required), members can enter up to 3 PDI in each.

Summer Outings Competitions

Members are invited to submit a set of three PDI taken on one of our three Summer Outings that have been organised for members during the 2021 summer break. The 3 entries do not need to have any connection between them.

Annual Audio-Visual Competition

This is a competition in which members submit one audio-visual sequence the content of which is their choice. The sequence must be no longer than 7 minutes and the winner of the competition will, if possible, be determined via a vote of the members present. Otherwise, for this year only, it will be judged by an outside judge, respected for his/her ability in this field.

Inter-Club Competitions

Currently the principal one is with Stokesley PS. Each club submits an agreed number of Prints (if possible) and/or PDI to an independent judge. Members are invited to submit up to 3 Prints and or 3 PDI for selection. If possible, at least one photograph will be included from each member who submits photographs for selection.

NYSD Annual Competitions

PDI are to be sent by email to David Niman at:- david.niman@gmail.com and Prints should be delivered to Miles Langthorne at his home address – Full details in NCC Newsletter No.22 sent 07/09/21

NCPF Annual Club Championships

This is a competition open to clubs that are members of the Northern Counties Photographic Federation. Members are invited to submit up to 6 of their best Prints and/or PDI for selection to represent the club. The winners and runners up in each of the Prints and PDI sections will be invited to represent the Federation at the Annual PAGB Club Championships later in the year.

NCPF Annual Competitions

These are open to members of NCPF clubs with entry on an individual basis. Normally there are sections for Colour Prints, Monochrome Prints and PDI and within these sections there are various trophies available, such as for Landscape, Portrait, Nature etc. A selection of the best entries will be chosen to represent NCPF at the PAGB Inter-Federation Competition. Other entries will also be selected to create a "Portfolio" thought representative of federated members work to circulate around NCPF clubs. There are also two Beginners sections, Prints and PDI. Member clubs are invited to select 6 photographs from their members' submissions in each of the three main sections to represent their club for Inter-Club trophies.
